

# Holly's Paper Tube Castle

## What you will need:

- Coloured paper
- Scissors
- Pencil
- Glue
- Paper tubes (different sizes)
- Any circle tracer
- Cardboard

## Steps:

1. Cut a small part of paper tube and save it for later.
  2. Use a coloured paper to cover the paper tubes.
  3. Trace the circle on a piece of coloured paper.
  4. Cut it out.
  5. Cut a triangle wedge. Make 3 of these.
  6. Glue the cut sides of the circle together to create a cone shape.
  7. Glue the cones on top of each paper tubes.
  8. Get the smallest tube and cut slits around it.
  9. Fold the slits alternately.
  10. Glue the paper tubes together.
  11. Get another piece of coloured paper and fold it 4x.
  12. Draw a window shape and cut it out.
  13. Glue the windows to the castle.
  14. Glue the finished castle on a piece of cardboard.
- Well done!

\* Remember to get an adult to help you out!
