

# Holly's Paper Plate Dream Catcher

## What you will need:

- Paper Plate
- Scissors
- Beads
- Yarn
- Hole Punch
- Feathers

## Steps:

1. Cut the inner circle of the paper plate
2. Punch holes around the circle
3. Cut some yarn
4. Insert the yarn in one hole
5. Tie a double knot
6. Cut excess yarn
7. Weave the yarn into the holes to create the web. Make sure to leave one hole behind
8. When you reach the second to last hole, tie a double knot at the back and cut excess yarn
9. Cut another piece of yarn
10. Insert it in the last hole
11. Make a knot to secure
12. Punch three holes at the bottom of the plate
13. Cut three pieces of yarn
14. Tie the feather and cut excess yarn
15. Insert beads into the yarn
16. Insert the beads into the feather's quill
17. Repeat steps to create three of these
18. Insert the yarn with feathers into the three bottom holes
19. Tie a knot and cut excess yarn
20. Repeat steps for the two yarns with feathers. Well done
