

Raggles Lollipop Stick Sailboat

What you will need:

- Coloured lollipop sticks
- Coloured paper
- Scissors
- Glue
- Hole punch
- Bamboo skewer

Steps:

1. Get 2 lollipop sticks and use it for the base.
2. Glue other lollipop sticks horizontally on top of the base. You now have a boat hull.
3. From the bamboo skewer, measure 4 inches then slowly break it.
4. Cut a rectangular shape of coloured paper.
5. Partially fold it over then punch a hole.
6. Insert the bamboo skewer in the holes.
7. Glue the flag on the center part of the boat hull.
Well done!

* Remember to get an adult to help you out!
